1. I am coming unto you, as man has never come unto man, not; or have I come like this before? Are you me, or notme?
2. And "school" prepared you for *what*? What are you *preparing for now that you know* you are not me alone without me, not; but that you are WITH me and *with me* you have **WITH-ME SCHOOL** who "produces" all me's. And makes me's out of me's, not; but by surrender all things are possible that he that believeth will not perish, and she that believeth will not perish, or are they one in **One School?**
3. Are men and women the same one, in School? Both are treated equal for they are equal in MY sight, and *my sight vision is perfect!* Perfectly aligned with yours who are not me, not; but who is **notme** is only the; "wannabes" not, but that **those who have chosen to worship "in their own way"**.
4. I have given you many new things in these words that create DATABASES properly that come through you who form I am without a "kink in your brain". I "a kink in your brain" not, but I give you EYES to SEE what the "kink" is and the "kinks" are Kings not, but those who have subjected themselves to notme thinking and created thereby a "school of sorrow system" of schools that school the Mighty Righteous into becoming whores of thought that *intercourse* with thought that produces thought, thoughts-ville of notme, producing notmeville, whore-ville, hell-ville; and "the rest of the story" you have "lived in" a *long time*. Come out! **Be not SATAN any longer! Be not his school and play his harps!** Be not LETTING your mind be used by Satan-ic thoughts or those who would pour "that mess" down your throat of notme'ism through school systems and pew systems and religion's standards that form you as notme's.
5. Not in the cradle, not, but what cradle who's cradle have you been "rocked in"? And who's HAND is ROCKING you now? And who's hand rocks the CRADLE OF YOUR CIVILIZATION now? Are you "civilized"? Again? I ask you -- what are you? Where are you? Where did you "come from"? Did you create yourself -- apart from me, again? And again? And again ad infinitum? What ad infinite's you into being the ad infinitum'd one who came into me -ville to create heaven -ville, being there, and growing up unto me, rebel like you did, and *FALL* so hard on your *FACE*; *FAITH* having *NONE*, *that you are me!*
6. Who taught you "these things" that's you embrace so mightily thinking they are so

"perfectly arranged" in your mind and "ordered", and *ordering* you to do what? Think their thoughts -- their way, and be unto them PAWNS as it were in their hand? Masters of the First Dimension? Fourth not, but what are you coming into and who comes now IN THE NAME OF THE LORD?

7. "Whose fool are you?" looking up shall we? And are you a fool or a **Look Up-er, in my School that teaches "look up systems"** as a means to "breach the gap", not; but *BRIDGING WHAT GAP NOW?* The fools gap? Or **what fool has said "in his heart there is no God?", not; but what fool has said he is not one? And who changed my words,** these words that YOU hold so PRECIOUS so many of you and think inerrant, so inerrantly of? What fooling? Who's fooling?, fooling with what? did my words to produce you so errantly-full, of error about what I said, and **what I am saying -- now clarifying** these years after? Or has it been "years after" or is it all NOW?

8. Is everything now in MY SCHOOL? Is everything NOW in the Now School? Of sorrow, it isn't. But in Mine, it is, now, and **"Evaluation Time" is near, not; but the final "APPROVAL" TIME IS HERE,** but who is approving what and why and what whose kingdom are you in? What have you created? On whose seat of justice? And what kingdom? Whose kingdom did you say you were in, of, and creating with what? Your mind, or what you think is your mind doing what to your kingdom? And what kingdom abode are you in and creating, abode'ing where? *In heaven, CREATING HELL! THAT'S WHAT YOU BEEN DOING, FOR YEARS! AND YEARS! AND YEARS! AND DECADES! AND CENTURIES! AND MILLENNIA! AND THOUSANDS OF MILLENNIA! HAVEN'T YOU? YOU HAVE.* Yes. *You have created hell, for born into heaven, you created hell - about you, around you, in you. And now you suffer the consequences of being **The Creator** that fell.*

9. Now you know the rest of the story; "the rest of the story" not, for "the rest of the story" has not been written yet, for *YOU ARISE NOW -- if you will!* What is your "will" telling you, to do, at this "moment"? Or what MOMENT is this? Is this a MOMENTOUS event? In time? Or has TIME ceased -- its rule?

10. **Has time ceased its rule, is THE QUESTION, OF THE DAY isn't it?** It is the question, not the answer -- for I ANSWER THAT now, for you all and **I tell you a new thing is in the earth and you are it;** O man of great sorrows, not, but the one who has arisen and is arisen and arising mightily schools of sorrow no more, but **churches that inflict pain and suffering and take "people" to the graves and PUT THEM THERE are ended.** Ending them, they are not; **I AM ENDING THEM ALL!** For I end all the notme -- and suffering will cease now. For my kingdom opens, is, and all about you shall be, and in you shall be, and you shall be me -- or notme, nonexistent at all. *AND YOU WON'T HAVE A HEART "BEATING" IN ME ANYMORE LIKE YOU HAVE.* Have you, one? That's been "beating" for who? You -- or me? Or who's HEART HEAD do you have on YOU? Or do you have a HEAD

you never saw?

11. Whose fool are you?, or do you know that you have been fooled?, by being a notme?, schooling the devil and whoring with thoughts of flesh that make only flesh out of GODS.

12. What do you know? How do you "know it"? How do you know it? School has taught you this, these things?, that churches affirm or disaffirm, or compete with, or each other competing with it, and each other's food being their brain waves not known, not knowing; and how are you "perceiving" the world? This world? How are you perceptioning the "your world" that you think you are in? And how did you FORM those OPINIONS? that about yourself created yourself, self will? And whore-ville in, or heaven? Or question-ville? Or answer-ville?

13. You answering the questions, shall you? You shall -- for you do EVERY DAY of your thought-existence, that you "walk out" every day in your troubles. AND TROUBLE all about you will be forever, unless you "erect a monument to me", not; but erecting what? **Did you erect an IMAGE OF YOURSELF THAT YOU WORSHIPED? THAT YOU WORSHIP STILL? THAT YOU WORSHIP "AS YOUR SELF"? THAT'S WHAT YOU DO EVERY DAY. THAT'S EXACTLY WHAT YOU DO EVERY DAY! THAT'S WHAT YOU DO WHEN YOU THINK YOU ARE A SELF, NOT ME, APART FROM ME,** and creating apart-ness school, that schools you into thought, not heavenward but hell-bent creating it all around you and in you lacking peace forever.

14. And what happened to peace? Melchizedek -- who is she, he, or both one are -- what? The same, in one, that one is? **Were you born Melchizedek? Is that your name, your REAL NAME -- ALL OF YOU? I'M SPEAKING TO ALL OF YOU, ALL OF YOU** that exist far and wide, beyond the maddening crowds of what you think are planet earth on.

15. I love you all. **School rises new me's for ME'S fall no longer** headfirst into graves and pulling "earth" over their heads, and dying, a death, over and over again.

16. I change all that. I the wicked am not, but I birth sorrow not again. I birth wise "men" not, **I birth** the wisdom of sorrow, not; **the wisdom** of Solomon, not again, not; but **perfectly** this time, and greater than these there shall be none like thee, for perfect in all thy ways -- were all of you. In your sight, till you fell and worshiped your image, alone, creating aloneness and separation and hellville, bent light rays that knowing not your STATE of affairs that you FELL into, you whored with pigs and ate "pork bellies" and split hoofs, and the husk of the grave fed yourself. **That's what you do every day, still now -- isn't it? It is!** Even in your fancy houses and cars driving what? You crazy, with debt, and money, lack of it, and what to do with it, what to do to get it, what to do without it **now** -- all of you, for seeing me -- MONEY ends its rule over you, not; but I do.

I end it. I change all that.

17. I change all rule authority dominion and glory and honor you have given **THE IMAGE** of yourself, yourselves, and your-self-land. I declare it changed! And all rule of **OTHER** will cease now, and end, for I will end it and cease it and it will KINK me not again and world me with sorrow in ITS WORLD. No more again shall that be. I end that sucker flat.

18. Out of the grave I will be now, **Arisen! And SCHOOL be in me - The New Covenant released, and I know what it is, and I know now how to release it, for these words release it that me really is in Me -ville, Me School.** Me schools of the devil not arising anymore, intercouring with DEVILS and immorality worship worshipping, and calling evil good and good evil and not even knowing the difference or who what made me and where I came from.

19. And educating how, who? All that changes for **MY EDUCATION SYSTEM KNOWN NOW WILL BE** -- and all throughout the lands of sorrow, I proclaim evil not again and whore'age of others into whore-land making creating hell, and heaven calling later something to come into at some point by some means or other and religion's standards standarding me. No more will that be. For I change all that and I proclaim the land of sorrows not, not; but looking up Land Of Nod, not; or **shall we? Look up the lookups and search on lookups and looking up and shall we now? Shall we now, look up -- shall we now? Shall we look up -- Looking Up System, Look Up System, and My School - system? Yes we shall.** And we shall win the battle, victory; over Satan, not -- or shall we, realize, that we were him -- we were it, it was us, all of us.

20. What have I told thee?

21. What have I redefined?

22. What have I blasted out of existence with these words? And put into sorrow's ears to sorrow no more "crying on the ground". Looking that up also?

23. Looking up, what shall you look up, and be made whole? I love you.

24. Whose school are you in? and who schooled you? Who schooled you to sorrow be?, so short-sighted so as to call yourself **man and woman apart from me?**

25. Why did you fall when you had all glory honor power dominion authority grace mercy judgment dignity respect, for each other, in each other, and you created what, with it all?

26. Perfect love? Perfect hate?

27. Perfect other - and you fell into IT, and became it -- not knowing you are both

and, the same, great enmity perished you from the earth, not; or did it?

28. Doing it now?

29. Who did it to you, or did you "it" to yourself? Yourselves self, again? Going around that loop-mountain again?, or what creating where with your words? and sorrow's words floating your brain waves where?

30. And what are your brain waves and who's eating them? And what powered by what powers who where, and what are the powers "that be", above you, in you, around you, creating what? **Ways to make a living**, have you been and absorbed by? Absorbed into? In whose system of Mammon teating your tongue to suck you dry of all creativity and creators only creating ***havoc, schools*** for each other that take you to graves in centuries before centuries.

31. Amen, not -- for I change all that and it will not be again, for I rise. I change everything. I am not a whore of your thought, your schools of thought, your thought of schools that teach me I'm not me.

32. I change all that. I the wicked am not -- I the righteous am, the righteous God, the righteous of the righteous that righteous all to be righteous, the righteous all to be the righteous that Christ are, that Christ is, risen again and the grave shall not hold us ever again. That's what I declare -- in your foolery -- that your foolery will not encase incarcerate and en-loop kinking our brain again in skull-cavities that loop us all around entanglement, and set free our minds not, but eating them, as your scrambled "eggs" for each other. Never again shall that be.

33. Never again shall that be for I change all that. I define sorrow well, not; I only have you, ask you, to **look around and see your state, your affairs of state, your status in the state of affairs that you find yourself in world one planet earth** that you have known and call "home" for now; and seeking another, better one *LATER*? Is that the 'tude of fools? And whose fool? And how are you fooled so? Why did you let Self fool you into thinking you were a self-fool, a self-made man or woman, or *making a living* your primary objective?

34. Living where? High on the HOG, again? Is that which you seek? The life of "ease" and sufferingville not eating not even knowing your creative power or using it except to dabble and dabble *making a living* here and there, thinking you are doing Good?

35. I change all that. I change all that. Right now! I change all that. Amen.

36. I love you and I give you a NEW LIFE, for entered mine you have young man, young woman, **a new life if you choose to be it** and to take it far and wide and be not afraid of me these words that sorrow you not, but bring you out of graves, mighty swollen in pride's blessing that isn't the blessing at all but cursed you with **The Law**. And

whose sin and death are you cursed with? And why did you create religion to link me to you? To link me to you? To link out of your chains? Or what hell why did you create it for others and dive into it? Or whose sorrow bin have you been placed into, and what field? What field are you over or in, or under, or "plugged in to"? Who's, into you?

37. And what's all this mean, not; but what are you sorrowing for when you The Creator are -- all this, for all heaven awaits thee thy entry to be the Savior to change it all. **I'm speaking to all of you whoever hear. Write these words with your own pen and tongue, speak them to each other in love and know who you are were and are again, in sorrow no more, graving no other again, imaging not, having no image of me you again as man woman that PLUGS you into a Grave System of sorrow and repeats itself over and over** in like manner that has no manners at all, but tables you how? Only for their fodder. Be it not again. Thank you. Come out of slavery. Be the King, not the whore that thoughts, Babylon make, with its thoughts creating hell.

38. Again I say all things change. I make all things new. I reveal YOU! -- to yourself so that enmity won't reign and rule in you and over your authority grace mercy and power given you any more. For you are grace mercy power authority love redemption forgiveness, and **is that your name? Will you wear it? Will you be it? Will you be it now to others, for others, giving them your life, word, that you are**, that theirs is, are – one, knowing it now.

39. Knowing it now? Do you know it now? Do you know? School, what school are you in? And who's schooling you to be fed to what? The Eagles around you?

40. **Blow the ram's horn now.** Everything changes, everything changes, everything changes now. Amen.

41. You rise. Amen. I do. We're one. Amen.

42. What have I told thee? What have I changed? Anything? Or have I just "redefined reality" or have I defined your reality that you created? With my words? With your words? Will they be the same words now? Will you speak mine only? Will you learn them, obey them, live them, speak them, write them, publish them, and come into them that make me whole again, not sorrowing, but creating heaven here, and all being one? That all brings you into your authority dominion and power, grace and mercy being redemption and forgiveness to each other forever and ever? Amen. **I do. I will -- now "the will" perishes out of man, out of woman, out of earth, the earths in love with its image of man woman no more. THE IMAGE will be cast down, and imagery will be stolen waters and sweet blessing not thought of as again.**

43. I love you all. Go in peace. Kill the whore, not; but love all whore'ers, whoring, intercouring with evil -- love them and be redemption's standard of grace mercy and joy.
44. Redeeming the times, the time, half times and **all time is up and ceases now** I do all time. Not to be remembered, not; but **all my MEMORY is membered** and remembered and I MIGHTY MANY MAKE MY SCHOOLS OF JOY.
45. Not suffering at all, or tenacious shall we be now to know the truth, be it, be it unafraid of it and not letting the sorrow "toehold" into you kinking your brain waves again ever again.
46. Shall we say yes? Yes, we shall. We will overcome the devil and the horde of imps that lodged in our kinky brain and waved us around "its little finger".
47. **WE** shall change all that. We shall make whole and be whole, home again. I love you all.
48. Go in peace. Love The Blessing. Be The Blessing -- the Christ -- the one who all wait for, waited for, and thought would never come; **regardless of their name or the name they applied to their Christ -- see Christ in all of them to Christ be**, and giving them Christ's blood and glory, know **the truth is my blood.** And guts have I, none, not; but yours, who are yours and where yours, and who's sucking the life out of you?
49. No more shall that be for I change all that for I rise in **Dominion School** that works in meekness and operates in love, now "dignifies" the Savior, not; but the man of sorrows acquainted with grief, in the one, in the woman who has not known her sorrowers, all that changes now, for I the changer am and I stand with love in love and loving you all to be love, me, the Christ known again.
50. That's where you are, what you have, who you will be now in surrender and meekness, not taking Christship to the grave of flesh, but **the flesh graving the Christ no more.**
51. **End my image, ends, for I end it**, and the image of me will be settled, and truth will be known, and THE IMAGE will enmity you not again kinking anything about you, or kicking your ass into graves again ever again. **I raise the Christ with these words. Be the Christ -- all of you! All of you be the Christ! I Am -- be me. Amen.**
52. This is Theodore Cottingham as I spoke these words in the "upper room" not, but the second floor; the second story, not the first not, but all stories but changed now will be changed "into my likeness" not, but **the real Story is known now and you're it - ALL of you, all of you are it, the real story, the real Christ. Now knowing it what will you do with these words?** Come unto me, and labor not with heavy burdens but let me give you rest, and **enter "Eagle land" not, again, by sore'ing ones that only pick your brains,**

but be one who is above all that and see worlds as sorrow's worlds not again; but all Christ-worlds and being Christ -- all being one -- one be.

53. In love with me I am you, and we are the same, not different at all anymore ever again. We rise in love being it Christ risen from the grave evermore HALLELUJAH!

REDEMPTION following a line of thought never again, but **thought graving images upon our minds shall not be**.

54. Evermore I rise eagles not, I rise the eagle great, and small in his eyes shall be, not hearing the words of others obeying them; nor judging by the seat of his eyes, or the authority of man, but ruling in my power grace and glory mercy redemption being forgiveness giving all the meek who come into me and say **let me be thee, not apart from thee again**. And I love you all. Be me.

55. These words will never sorrow you, not; but only to come out of the flesh grave and **reduce THE IMAGE to its nonexistent state**. **AFTER THAT** - all glory, dominion, power, and authority, all under your feet will be, and you will reign in love, being love, being it, the King, making all Kings, the one King in heaven, making heaven's abode the Christ forevermore.

Amen
